If you are looking for an oasis on an expansive double lot close to Table Rock Lake, this is it! This home is perfect for entertaining after a day on the water. The main level features a spacious living room and completely renovated kitchen and dining area. You'll also find three bedrooms and one and a half bathrooms on this floor. The lower level is the true gem - complete with a wet bar and living area ideal for hosting bar night or relaxing with family. It also includes a large laundry room and a storage room with a water heater large enough to ensure you never run out of hot water. This level offers an additional bedroom and full bathroom that could easily become your master suite. Don't forget the shop, perfect for projects or ready to be finished as a potential fifth bedroom. This house is a must-see!
