LAKEFRONT! PRIVACY! SHOP! Two BOAT SLIPS available!... Are you kidding me?! This 3,800+ sq ft all-brick lake home set on the shores of the quiet side of Table Rock Lake checks the boxes most folks wait years for. Sitting on 2.88 acres with a gentle walk to the water, this 4 bed, 3 bath home offers space, privacy, and the perfect lake vibes! A hobbyist's dream with an attached oversized 2-car garage PLUS a huge detached shop for all lake toys, man cave, and project fun you can dream up! Inside the well-built home, you'll find two living areas with fireplaces up and down, oversized rooms throughout, and a massive kitchen loaded with cabinetry and island space. The walkout basement includes a kitchenette/wet bar and a John Deere area (currently bonus bunk room) that could be even more workshop space! The primary suite is generously sized with a spacious ensuite, and outdoor living shines with an enclosed sunroom, expansive back deck, and lower patio. Well maintained and very clean, this much lakefront with acreage and two slip options is unbelievably rare--better move fast before someone else says "are you kidding me?!" and beats you to it.
