This property won't last long! It has been meticulous in maintenance and features updates throughout. It currently has new GFCIs, new furnace mother board and igniter. The property is located on a premium lot with view of the pond and fountain. It comes with an aluminum fenced backyard with a pad set for a 26 ft pool for family fun and a deck to overlook the scenic views. The front elevation of the property features a full brick front porch with wooden shutters. It features a built in 2-car garage with intricate windows, decorative hardware and is insulated. The landscape was overseeded in the fall and has flowers and bushes that bloom from spring to fall. The interior has updated waterproof flooring in the living room, updated composite wood flooring in the media room with wooden French doors and comes with a newer big screen TV for entertainment enthusiasts. The owners have left nothing for the buyer to do but move in. This home comes with updated carpeting in the bedrooms. All bedrooms, living room and media room come with ceiling fans. The master bedroom features a tray ceiling and private ensuite with his and her closets and double vanities. Both bathrooms feature added medicine cabinets. This property also boasts all wood trim and pine doors, with new blinds. Don't miss this opportunity to buy your dream house.
