Beautiful all-brick ranch home with a full walk-out basement, perfectly situated on a beautifully landscaped 1.09-acre lot. This inviting 3-bedroom, 3-bath home offers an open-concept kitchen, living, and dining area ideal for everyday living and entertaining. The kitchen is a standout, featuring quality cabinetry, attractive finishes, and all appliances included. Cozy up by the Fireplace in the living room, creating a warm and welcoming atmosphere. The well laid out home has had many wonderful updates in the last few years adding lots of character and class. The finished walk-out basement offers a wide-open layout with a bonus area that can serve multiple purposes--perfect for a second living space, recreation room, home office, or guest area. With its flexible design, the basement could easily function as a complete secondary living area. Enjoy peaceful outdoor living with a large back deck perfect for the sunset views and a yard that backs to an open field, providing privacy and scenic views. Located on a quiet street with a prime location close to grocery stores, schools, downtown, and Stockton Lake. This home truly offers the best of comfort, space, and convenience.
