Luxury waterfront living w/ panoramic Table Rock Lake views on 1.7 acres +/- . Dreams really do come true-- waterfront & water-view at Table Rock Lake. Rarely does a luxury lake home of this caliber become available. This exquisite, custom-built estate offers generational quality, privacy, & breathtaking views. Designed for both grand entertaining & refined everyday lakefront living, this residence embodies true luxury. Thoughtfully curated as a transitional lake house, the design balances elegance w/ comfort, creating a timeless yet modern aesthetic throughout. The welcoming entry leads into expansive entertaining spaces adorned w/ artisanal fixtures, artistic archways, warm ash & maple hardwoods, & curated details. The upper level is intentionally designed to feel light, bright, & airy, maximizing phenomenal lake views. The remodeled chef's kitchen is both functional & striking, featuring Viking gas stove, GE Profile, KitchenAid, & Fisher & Paykel stainless appliances. Butler's pantry, double ovens, & marble/granite countertops complete the space. Floor-to-ceiling windows frame sunrise views over Table Rock Lake, blending indoor & outdoor living. The owner's ensuite offers a custom walk-in shower, jetted tub, & spa-like ambiance w/ private deck access. Additional highlights include elevator to all levels & new roof & gutters
