Beautifully landscaped lakefront home centrally located just outside of Camdenton on the 2-mile marker of the Big Niangua. Unlike many other lake homes, we have plenty of parking and home is on a paved road end of a quiet street. Home has received a new maintenance free roof within the last month. Property has 190 feet of calm shoreline with all new rip-rap rock! Our quiet cove is perfect for calm water swimming and fishing. Home is a 3 bedroom (with a flex room that could be used for a 4th), and two baths. The primary bath has been remodeled and includes a steam shower for cold days or just relaxing. Home has been updated to include all newer appliances, cabinets, and flooring. There is a large, fully enclosed sunroom for entertaining. It has a beautiful wood burning fireplace for relaxing on those cooler evenings. Located under the sunroom is an enclosed area that can be used for storage or as a potting room. Outside there is a 24 x 24 composite deck for lounging, having drinks, and grilling. There is also a newer 22' x 24' metal garage with work area and storage for your "toys". Property includes a 10 x 24 covered dock with a newer lift - plenty of room for expansion if needed. There is a nice composite swim platform along with a PWC lift. Because of the 190' of shoreline we also have privacy that other homes do not have. Home
