Wake up to panoramic lake views, spend your afternoons on the water, and end your evenings soaking in the hot tub beside a glowing outdoor fireplace--this like-new custom built home isn't just a place to live, it's a lifestyle. Offered fully furnished (with only a few exclusions), this 5-bedroom retreat is designed for effortless living and unforgettable gatherings. With 2 bedrooms on the main level (both bedrooms have ensuites) and 3 in the walkout basement, there's room for everyone. The open-concept layout steals the show, featuring a sleek, modern kitchen with an oversized island that flows seamlessly into the main living space--perfect for hosting, relaxing, and everything in between. A spacious main-level laundry room keeps life running smoothly, while the rare 3-car drive-through garage delivers the kind of functionality you didn't know you needed--but won't want to live without. And the features? Next level. Enjoy multiple outdoor living spaces made for entertaining, a massive 177-inch projection wall with Vava projector for movie nights, automated shades on double sliding glass doors, and a Vacu-Flo central vacuum system. The home's striking Shou Sugi Ban siding from Nakamoto Forestry adds a bold, custom touch, while the metal roof with paid-off solar panels and whole-home water filtration system bring efficiency and peace of
