Can't find a Table Rock Lake home of your dreams to purchase? Stop the draining, time consuming hunt!!! With the shortage of inventory, why not build one to your specifications? Nice gently sloping almost 1/2 acre, lake view lot with a boat slip within walking distance (included in the price)!!! Infrastructure is in place: paved roads, community water & electric on site. HOA dues only 500\$/year. Great location near Kimberling City services, marinas, and a convenience store less than a couple miles away. Stop the looking year after year and just build already! List of area builders available upon request.
