Welcome to Stonemont Estates and an incredible opportunity to enjoy Table Rock Lakeview living on 1.29 acres. This wonderfully laid out home offers 3 possible bedrooms and 3 full bathrooms with a functional floor plan designed for comfort and flexibility. The main level features a spacious living room that flows into the dining area and a kitchen with warm wood cabinets, all leading to a covered deck with breathtaking lake views. The primary bedroom includes an en-suite bathroom with a makeup vanity and a shower tub combo. A second generously sized bedroom with dual closets and a full hall bathroom complete the main floor. The lower level offers a second living area with a stove, a third bedroom option, a full bathroom, and a dedicated laundry room. A two car attached garage adds convenience, while the impressive 30x40 shop with two garage doors provides ample space for hobbies, storage, or equipment. The asphalt driveway offers plenty of additional parking. Water access is available just on the next street over, making it easy to enjoy the lake lifestyle. This property blends scenic views, usable space, and value in a desirable lake community.
