Welcome to your Ozarks escape with a Lakeview. This beautifully, remodeled cedar cabin blends classic Ozark charm with thoughtful updates, all while being centrally located to multiple public lake access points. The serene lake view from the back porch truly makes this property a hidden gem, offering peaceful mornings and relaxing evenings surrounded by nature. A pellet stove adds warmth, character, and energy efficiency -making the living space cozy year-round. The natural wood flooring is beautiful and the rooms are a generous size. The detached bonus room is fully insulated and heated, creating additional space that could function as an apartment-style guest suite, private office, studio, hobby space, or the workshop you've always wanted. Designed for true lake living, the property offers abundant parking with a carport, oversized concrete driveway, and even more side parking for your RV (30 amp), boat, and all your lake toys. The fully fenced backyard makes it ideal for pets, while the view of the lake from the back porch is a great way to spend more time outdoors. And there's more -- a 10x28 boat slip* with swim platform not far away for an additional cost, giving you the opportunity to make your lake lifestyle even more convenient. Don't let this one slip away. This cozy, fully furnished, move-in-ready lakeview retreat is ready to
