\$1,299,973

Discover the ultimate outdoor sanctuary with this stunning 111 acres (more or less) of pristine LAKEFRONT land, featuring breathtaking LAKE VIEWS and multiple cleared sites ideal for building your dream home. This expansive property creates its very own peninsula and is uniquely surrounded by national forest on three sides, offering unparalleled privacy and natural beauty, while still providing convenient access via county road frontage. The beautiful property also features an existing well. Embrace the opportunity to own your own slice of the great outdoors, complete with your very own cave to explore! The property boasts an extensive network of riding trails, perfect for ATV adventures, side-by-side excursions, or leisurely horseback riding. Don't miss this chance to create your own retreat in nature--this property truly is a haven for outdoor enthusiasts and those seeking tranquility. Your future home awaits!
