Hard-to-find 2 acres at Pomme de Terre Lake with Corps ground bordering the back, giving you built-in privacy and room to roam. Partially cleared so you've got a head start on building or setting up camp, but still plenty of timber to keep that secluded, lake-area feel. Just 1 mile to the boat ramp, so getting on the water is quick and easy. These smaller tracts this close to the lake don't come around often--especially with Corps ground behind them.
