One of my personal favorites because it is more of a boutique private resort with spacious amenities including 3 pools, lazy river, boat launch, boat slips, and clubhouse. In other words, it never feels crowded. The other reasons for making my top 10 list, is the convenience to the lake and Silver Dollar City, both easy access. This is a true passive income nightly/vacation rental. Antlers does it ALL! This is a hands-off property; you just book your lodge when you want to stay with your family and friends. Every room in the home feels open and light. The deck and patio have an awesome expansive lake view. This is turn-key, everything included. Hurry and book to see before the Spring crowds arrive.
