Waterfront home at Lake of the Ozarks is a true gem! Located in a peaceful place where the river meets the lake, so you get the best of both worlds. This one owner home is perfect for family gatherings with a spacious 4-bedroom, 3-bath layout, and natural light shining through with the expansive windows. A wonderful place to make memories in. The features like the vaulted ceiling, stone fireplace, and open loft area give it a cozy yet expansive feel, just off the kitchen walk right into the three-season room and several decks provide a great way to enjoy the outdoors. Easy walk to the 160 feet m/l of waterfront and dock with lift is perfect for anyone who loves being on the water. The detached garage with a shop area and fenced-in area for your pets just adds to the charm. Here you can enjoy boating, excellent fishing, canoeing, kayaking, or swimming without the worry of boat traffic or big waves. Ha Ha Tonka cove is just around the bend. The location feels private but is still only a short drive to town, golf, and dining. If you enjoy nature, wildlife, and star-gazing, it sounds like an ideal spot. It is pretty rare to find something like this on the lake nowadays!
