\$29,000

Very Gentle lake access lot located at the corner of Towering Oaks and Fox Run Road in Johnsons Bay. This lot would be ideal for a 1 level slab on grade home. This area is very appealing as there is already Central water and Sewer in place, currently supplied by Central States Water Resources. There is a hookup fee TBD, with low monthly rates that are currently \$27 for water and \$47.50 for sewer. Additionally, there is a common area with lake access with a boat ramp located next to the community dock. This area contains moderate to high end homes. Lots available individually or as a group of 4. Take a look at the value here.
