A slice of paradise at Lake of the Ozarks! This stunning 60-acre retreat offers total seclusion just off the four-lane. The main home, fully remodeled in 2018, features an open-concept floor plan with oak hardwoods, solid brass hardware, and high-end fixtures. Large picture windows flood the space with light, framing views of your private valley. Step outside to a spring-fed swimming pond stocked for fishing and complete with a dock. The land is a nature lover's dream, featuring a picturesque creek with a natural waterfall, a fruit orchard, fertile garden soil, and a mile-long trail for hiking or ATVs. The brand-new guest house offers incredible versatility. Currently housing a chic hair salon and home office above, with a guest suite, bath, and gym below, it was designed to be a full secondary residence. It just needs your finishing touches to become a complete apartment. Whether you're looking for a private family compound, a hobby farm with ample room for animals, or a stylish live-work setup, this property delivers. Move-in ready and truly one-of-a-kind come experience the peace of the Ozarks!
