****Stunning Lakefront and Lake View Home - One Level Living**** Discover your dream retreat in this charming lakefront property, perfect for those seeking tranquility and breathtaking views. This well-appointed home features 2 spacious bedrooms, with the potential to convert the den into a non-conforming third bedroom, providing flexibility to suit your needs. Step into the den, where you'll find a welcoming ambiance highlighted by a floor-to-ceiling brick fireplace equipped with a propane insert. The huge bay window offers breathtaking views of the serene lake, making it an ideal space for relaxation or entertaining guests. The sunroom is a true highlight, boasting panoramic views of Table Rock Lake. Accessible from both the master bedroom and kitchen, it's a perfect spot to enjoy your morning coffee or unwind in the evening while soaking in the beauty of the lake. Retreat to the master bedroom, which features his and her closets along with a master bathroom complete with a walk-in shower. This private oasis ensures comfort and convenience. Outdoor living is at its finest with ample deck space just off the sunroom. Enjoy seamless indoor-outdoor flow as you step onto a covered deck that leads to an open deck below, complete with built-in seating, creating an ideal environment for entertaining or simply enjoying the sunset.
