THE VIEW. Let's just start there...This is the kind of Table Rock Lake view that stops conversations, delays dinner plans, and makes guests wander straight past you to the windows. It's big, bold, and completely impossible to ignore--and you get it from nearly every room.Set inside the gated community of Emerald Pointe, this home brings the lake front and center with soaring windows and an open, airy layout designed to soak it all in. Whether you're in the living room, kitchen, or kicking back upstairs, that view never lets go.And when it's time to enjoy it? Step out onto the deck, settle into the hot tub (negotiable), and watch the lake put on a show you'll never get tired of. Inside, you've got space to live and space to play--pool table and foosball table INCLUDED--plus a layout that works just as well for entertaining as it does for everyday comfort. Three-car garage gives you room for the toys, the cars, and the tools.Emerald Pointe delivers the lifestyle too: gated security, clubhouse, pool, tennis, and marina access--all just minutes from Top of the Rock, Big Cedar, and downtown Branson.And here's the part that makes this even more appealing... it's priced to compete.Offered furnished with the right offer (excluding personal items and those listed in the documents section), giving you a move-in ready opportunity from day one.
