Come see your little piece of the country, a gorgeous approximately 15 acre building site about 2 and a half miles from Strafford City limits and Interstate-44 and in STRAFFORD SCHOOL district! Just ten minutes to Springfield. A live creek meanders along the land on the east side of the property and in the Winter and Spring there is a glimpse of the south fork of the Pomme de Terre river. A perfect mix of open meadow and trees including Redbud and Dogwoods. A wet weather spring is on the property. Real estate taxes will need to be determined at a later date by Greene County Assessor as this is part of a larger parcel.
