Creekfront Acreage for Sale in Hardy Arkansas! Escape to this peaceful 3.3-acre property, offering a perfect balance of privacy, natural beauty, and abundant wildlife. Enjoy the freedom to hunt, explore, and immerse yourself in the tranquil surroundings, as the land has no restrictions. A serene creek meanders through the back of the property, flowing toward the South Fork River - an ideal spot for fishing, floating, and swimming. Whether you're looking for a peaceful retreat or outdoor adventure, this property has it all. With existing utilities including septic, electricity, and a shared well, the property is ready for your dream home, cabin, or weekend getaway. Located just minutes from Cherokee Village Golf Course (near hole 18) and public access to the Spring River, this location offers both seclusion and convenience. Just 5-10 minutes from town, you'll enjoy the perfect blend of country living with easy access to local amenities. Don't miss this rare opportunity to own your own slice of paradise!
