Dreamed of building your own home, what better place than Paradise Woods, with almost 5 acres of land in this beautiful gated community. There is a mixture of large timber and young timber, and best of all your own private small lake, there are two man-made waterfalls on the property that pour into this fish stocked lake. The property is perfect for a walkout or ranch style home. Just minutes from Springfield with easy access to I-44. There are also paved golf cart trails and a community lake just down the road in this gated community. If your ready to leave the big city and want the country life with the convenience of town nearby this is the place for you.
