Perfect place to build your dream home--I call this The Little House on the Prairie lot! Beautiful 1.88 acre lot with a perfect homesite, wet weather creek, and city water and sewer. Rare chance to have a gorgeous wooded lot with terrific Ozark Mountain views AND be right in town! This lovely parcel is located on the edge of Moore Addition and but it feels like you're in the country. Just minutes from downtown Hollister, Branson Landing, Lake Taneycomo, and Hollister Schools. Take a look and fall in love!
