Discover the ultimate canvas for your country estate. This stunning 25-acre expanse features rolling emerald pastures punctuated by majestic hardwood groves. Already surveyed into two parcels (approx. 10 and 15 acres), the land offers versatile building sites with panoramic views. Explore the charm of a wet-weather creek with a dedicated crossing and a storied, century-old structure that adds timeless character to the landscape. Whether you're dreaming of a private retreat or a sprawling family compound, the potential here is limitless! Seller may consider selling one parcel either the 10 or 15 acres.
