Rare Find, Been in the family for over 70 plus years. This is a must see farm 75 acres of level and rolling land with a nice size pond and a spring to boot. Has a nice home with hardwood floors and fireplace with a 2 car attached garage. Has a second home on it that needs to have some love but would make a great Airbnb or a guest house. This is truly a great piece not too big and not too small Call today for your private showing.
