\$325,000

Turn-Key Deer and Turkey hunting property located in the heart of the Ozarks near the town of Doniphan Missouri! These 63 acres +/- are adjoined by roughly 2400 acres of the Little Black Missouri Conservation area. The Property features trail systems throughout the entire property, two nice sized ponds along with a 20x12 Mini Cabin that's heated and cooled with a mini-split unit and also has a 50-amp RV service wired in for your hunting buddies RV's or Motorhomes when they come to visit. The topography of the land is virtually flat for this part of the Ozarks and has good deer history along with multiple food plots and tree stands in place on the property. If you're looking for a place to hunt and hang out with friends and family, or possibly build that forever home this is a superb option close to the towns of Doniphan and Poplar Bluff here in Southeast Missouri!
