Located just off of Hwy 60 between Fordland and Rogersville this great cattle feeding farm is very conveniently. The 66 +/- acres of open ground lends to many different applications. Currently the property is set up to background cattle with large open grass traps that lead to new concrete feeding alleys built with new pipe in the past 3 years. The main all steel building is 60 x 160 with a portion having a concrete floor and apron for commodities with the remaining being open for large equipment or feed. The property offers an all new pipe corral and pens, automatic waterers, 1200 square foot home and so much more. The home features a full unfinished basement with inside/outside access, hardwood flooring, updated appliances and finishes. Available with up to 113+/- acres
