Your True NORTH. Allow your soul to fall into this beautiful setting on 76+ acres off of Thomas Hollow Rd. The 20 open acres atop the land is surrounded by 56+ acres of timber, wildlife, a spring feed pond and is fenced and cross fenced. The wildlife have a year round source of water with the spring and the cover to nestle themselves in the white and red oak trees and a hint of hickory and cedar. There is a road cut in the rock that brings you to the top of the open land. This is a Perfect Place for a getaway, or secluded place to call home with the abundance of nature, or lots of potential to the creative mind to venture towards a retreat, cabins, or holistic scene with yurts for others to capture their True North. There are so many areas of cleared land to build any dream home. There has been a perk test on the property.
