76 Acres - Turnkey Hunting & Recreational Property Well-maintained 76-acre tract featuring established ATV trails, professionally installed food plot, and strong wildlife habitat. Property includes on-site electric service, 2 ponds, a quality permanent deer blind, and a new bumper-pull camper that will remain with the sale. The land offers a balanced mix of timber, cover, and open areas, providing excellent conditions for deer, turkey, and other game. A practical layout and existing improvements make this a ready-to-use hunting or recreational property with solid long-term potential. Multiple beautiful building site for your dream home.
