Discover 147 acres of beautiful, cleared farmland in Green Forest, Arkansas. This productive tract features open pasture with gently rolling terrain and is fully fenced, making it ideal for farming, hay production, or livestock. A spring-fed pond provides a reliable water source for animals and adds to the property's scenic appeal. With excellent accessibility and wide-open views of the Ozark countryside, this land offers both functionality and beauty. Its peaceful rural setting, combined with close proximity to town conveniences, makes it a versatile opportunity for agriculture, a homestead, recreational use, or future development.
