Lake destination with an optional 10\*30 boat slip. Wake up to lake life. This buildable Table Rock Lake lot offers the perfect canvas for your dream home, with an optional boat slip so you're never far from the water. Spend your days boating, fishing, and soaking in the views--this is what lake living is all about. Wet weather creek to sit off your back deck and enjoy the deer taking in their morning. Fresh survey, short golf cart trip to the private dock, and fishing for days. Custom home builder ready for estimates.
