Welcome to this 14+ acre property in Rogersville offering space, functionality, and true country living! This property features a 3 bed, 2 bath double wide positioned to take in peaceful views of open land and pasture. The acreage is set up and ready for use with fenced areas ideal for cattle or other livestock, a pond that adds both beauty and functionality, and a barn suited for storage, equipment, or agricultural needs. In addition, a detached 3-car garage sits just beside the home, providing ample space for vehicles, tools, or workshop use. Whether you're looking to establish a hobby farm, bring animals, or simply enjoy privacy and room to spread out, this property offers a rare combination of usable acreage and existing improvements. Located in the desirable Rogersville area with convenient access to Springfield, this is an opportunity to own a versatile property with endless potential.
