\$69,999

Imagine having your own stretch of the James River running through the backyard. This 5.56-acre property in Galena, Missouri features more than 850 feet of river frontage and plenty of space to build the home you've been dreaming about. With mature trees and wide views of the water and surrounding landscape, it's an ideal setting for anyone who enjoys quiet, scenic living. The river provides a peaceful backdrop year-round, whether you're enjoying a calm morning outside or winding down in the evening. If you enjoy the outdoors, this property makes it easy to take full advantage of it. Launch a kayak or canoe from your own riverbank, spend the afternoon fishing, or cool off with a swim in the river. It's a great spot for family get-togethers, weekend escapes, or simply enjoying nature. Opportunities like this don't come around often, come take a look at this riverfront property that offers a lot of potential.
