If you've been searching for the perfect mix of acreage and a home that truly stands out, this is it. Situated on 40 acres of open and wooded ground, the property offers endless opportunities for farming, recreation, hunting, or simply enjoying the privacy of country living. A pond and shop are already in place, making the land as functional as it is beautiful. Inside, a grand foyer with soaring ceilings and a stunning loft overlook welcomes you in. The open-concept layout flows into a formal dining area and spacious kitchen perfect for everyday living and entertaining. Just off the living room, a deck overlooks the pond, creating the ideal spot for morning coffee or evening sunsets. A rare indoor pool off the kitchen offers year-round enjoyment. The main level features four bedrooms, including a primary suite with his-and-hers closets and a private washer and dryer hookup. The finished walk-out basement adds a second living area, full kitchen, and two non-conforming bedrooms perfect for guests or multi-generational living. Recent updates include new flooring (2026), a 2023 roof, and geothermal heating for efficiency and comfort.
