Lake life doesn't have to break the bank and this is your chance to get on the water with a dock already in place at a price point that's hard to find! Tucked on the quieter side of the lake, this property offers a setting built for enjoying the outdoors, with great lake views, a partially covered deck, and a yard that actually gives you room to spread out. Being the last home in the cove means extra space to one side and a perfect setup for fire pit nights and yard games. A boat ramp just a few homes down makes getting on the water easy and convenient! The home is a 3 bed, 2 bath with a unique layout and is priced with condition in mind offering the opportunity to make it your own over time. Crawlspace storage provides extra room for lake gear, and the 2-slip dock is already in place so you can start enjoying the lake right away. Nightly rentals are allowed, adding flexibility for future use!
