4 Bedrooms | 3 Bathrooms | 1,889 Sqft

This one-of-a-kind property sits on 1.21 acres right off the blacktop & offers space, style, & functionality you won't find just anywhere. The beautifully updated home features generous living space, a 3-car detached garage, & an exceptional 40x60 heated & cooled shop with office spaces. Inside to an elegant entryway that flows into a spacious open-concept living area with real hardwood floors, soaring ceilings, & a gas fireplace that anchors the room with warmth and character. The kitchen is designed with granite countertops, a formal dining area, & access to the covered back porch. The main level includes a half bath, laundry room, guest bedroom, & a primary suite with a well-appointed bath & walk-in closet. Upstairs you'll find two additional bedrooms, a full bathroom, and extra storage space. Outdoor living shines with a covered front porch, covered back porch, & a large gazebo overlooking the property. The standout feature is the 40x60 heated & cooled shop with its own driveway, propane tank, & electric meter ideal for a home-based business, hobby space, or income-producing opportunity. It includes two finished rooms, a half bath, & workspace ready to work as hard as you do.
