This is the kind of acreage that buyers wait for -- usable, scenic, and full of opportunity. Set on 49.07 acres, this property offers privacy, views, and several potential building sites overlooking the surrounding hills. Highway frontage provides easy access, while the interior of the land feels quiet and secluded. Open grassland, mature timber, and a well-established pond create a versatile setting ideal for pasture, hobby farming, or recreation. Abundant wildlife adds to the appeal. A beautiful piece of ground with endless potential, ready for your vision.
