3 Bedrooms | 3 Bathrooms | 1,485 Sqft

Fully updated, turn-key condo with incredible views and a large boat slip in the heart of Osage Beach this is the one buyers wait for. Located in the established Pelican Bay complex, this 3 bed, 3 bath with loft offers nearly 1,500 s.f. of well-designed space that comfortably sleeps a crowd. The kitchen and baths have been beautifully updated with quality finishes, complemented by new flooring and fresh paint throughout, creating a clean, modern feel with nothing left to do. The open living area flows to the deck where you'll take in some of the best lake views around. Included is a highly desirable 14x32 boat slip, giving you room for a larger boat & easy access to the water. HOA dues here have remained steady & affordable something that's becoming harder to find at the Lake. HUGE clubhouse includes bathrooms, kitchen, board room & party room - recently updated it provides great spot for meetings, parties, etc. Convenient by land or water, you're right across from Margaritaville & just minutes to popular waterfront spots like Paradise, Papa Chubby's, & Miller's Landing. Ideal for full-time living, a weekend retreat, or investment property - don't miss this opportunity!
