Looking for land that is actually ready to use? This 5.33 acre property in Miller County offers the perfect setup for homesteading, hobby farming or a private retreat. The property features a fully insulated 26x32 shop with heating, cooling, a solid concrete floor and three 9x8 overhead doors, providing excellent space for equipment, projects or recreational use. An additional barn sits on a concrete perimeter foundation with a dirt floor, ideal for livestock, storage or expanding your homestead vision. The land is fully fenced and gated, making it easy to bring your animals, and includes a stocked pond, open usable acreage and a peaceful setting that is ready to enjoy from day one. A gravel driveway is already in place for convenient access, and with no zoning restrictions, the possibilities are wide open whether you are looking to build, start a small farm or create a self-sufficient lifestyle. Properties like this with functional improvements and flexibility do not come around often. Schedule your showing today.
