3 Bedrooms | 3 Bathrooms | 1,458 Sqft

Three bedrooms, three full baths, two of those bedrooms lakeside with main channel views, walk-in level with no steps, a large screened porch, a 12x32 boat slip included, and built in a steel and concrete elevator building at the 20 mile marker in the heart of Osage Beach. That is what Unit A105 at Seascape Point on Lake of the Ozarks brings to the table and it is a combination that is genuinely hard to find at this price. The open floor plan features new Luxury Vinyl Plank flooring and an electric fireplace, both lakeside bedroom suites wake up to sunrise views over the water every single morning, the primary suite has an ensuite bath and walk-in closet, and the screened porch is where every lake evening belongs. The unit sits next to the community pool and the walk-in level design makes this as easy and accessible as lake living gets. Nightly vacation rentals are allowed and the nearly \$500 million Oasis at Lakeport resort is under construction right down the road projecting 500, 000 new visitors a year to Osage Beach. Dog Days, Margaritaville, Red Head Yacht Club, and Lake Regional Hospital are minutes away by land or by boat.
