Opportunity in Versailles with investment potential. This hand laid rock home sits on a 94x120 lot at the end of the road with no direct neighbor on one side. Property needs major renovation and is ideal for an investor, flipper, or buyer looking for a project. Includes city water, city sewer, and high-speed Co-Mo internet, with room for a garage, added parking, or outdoor space, all conveniently located near restaurants, Walmart, and other town amenities. The large lot in town adds value on its own, offering space, utilities, and future potential that can be hard to find. Come take a look and see if it works for your vision.
