This property stands out with major updates already completed, while still offering the opportunity to add your own personal style. Situated on 100' of deep-water lakefront at the mouth of Easter Hollow Cove, the home captures wide channel views while enjoying protection from heavy wake. Inside, you'll find an open layout with spacious rooms and abundant windows that bring in the lake from nearly every angle. Recent improvements include a fully updated kitchen, new flooring throughout the main level, fresh interior paint, new carpet upstairs and in the primary suite, plus a beautifully renovated primary bath with a modern design. Outdoor living is just as impressive with updated decking and railings spanning the home, a covered lower level, and a fenced backyard. The concrete dock, built by Ozark Barge in 2019, features a 6,000 lb poly lift, wet steps, and a lakeside tiki bar with refrigerator included. Set on approximately 0.80 acres with gentle topography and ample flat parking, the property also includes a detached 2-car garage connected by a breezeway, with space for a future shop or guest house.
