Looking for peace and quiet but with a quick commute to either Springfield or Willard? Check out this beautiful acreage that is wooded but has areas that has been cleared for potential build sites. Undergrowth has been cleared achieving a park-like feel. There is a pond and a wet-weather creek on the property. The mature trees are gorgeous and wildflowers are scattered about. The Little Sac Woods Conservation area is literally within walking distance and is home to numerous wildlife species including deer, turkey, squirrel and racoon. If you would like more than ten acres, there is adjoining acreage available for purchase as well. Don't delay - reach out to your agent to schedule a showing today!
