\$89,900

1,380 Sqft

Looking for property with infrastructure, space to design and build your own home or land for hunting and expansion? This property has it all- 19282 W US Hwy 54 in Macks Creek- located between the Lake of the Ozarks and the Pomme de Terre lakes offers you a blank pallet for all your living needs and access to all your fishing and boating habits. The structure is 2 floors of design space for multiple bedrooms and open living spaces. Water has been ran to the house & building from the well; electric is newer, the electric meter is new along with 200 amp service. Behind the main structure is a large concrete pad for those wanting to build a barndaminium or shouse. And past that is a large metal building ready to display your prize classic cars, house your wood working machinery or large pieces of equipment or recreational RV and motorcycles. Are you a flipper wanting your next project? Then this property is ideal for you, so check it out today because as the seller makes improvements, the price will adjust...so get it while it's hot!
