Build where the views never get old. This south-facing waterfront lot in Beacon Pointe offers 100 feet of shoreline and wide, panoramic lake views. Positioned just minutes from Bagnell Dam and The Strip, you get quick access by both land and water while still enjoying the privacy and natural beauty this setting provides. With city water, central sewer, and electricity available, much of the groundwork is already in place to bring your lakefront vision to life. Whether you're planning a full-time residence or a weekend escape, this lot gives you the flexibility to design exactly what you want without compromise. Beacon Pointe is known for its well-maintained grounds and strong community feel, featuring a community pool, clubhouse, and playground for added enjoyment. Opportunities like this are limited, especially with this amount of waterfront and favorable orientation. Secure your spot and start building your place at the lake.
