Discover one of the most impressive channel views on Horseshoe Bend from this beautiful lakefront vacant lot. With a gentle slope and a natural high point toward the top of the property, this lot offers an ideal setting to build your dream lake home while capturing a truly envy-worthy view of the water. Position your home near the upper elevation of the lot to take full advantage of the sweeping lake and channel views, then enjoy easy access down to the water's edge. A 44x38 dock is currently in the permitting process with Ameren and is designed to include a 14x40 slip, creating the perfect setup for lake living. **DOCK NOT INCLUDED**
