2 Bedrooms | 2 Bathrooms | 1,020 Sqft

Lake of the Ozarks waterfront property featuring natural stone accents and a functional layout. The living room offers a full stone wall with fireplace and wood flooring. The primary bedroom is located off the living area with sliding barn door and includes a walk-in closet and attached bath with shower/tub combination. The kitchen and dining area open to the living space and provide access to a large deck overlooking the water. Kitchen features include stainless steel appliances, granite countertops, tile backsplash, and pantry. A laundry room with half bath is also on the main level. A second bedroom and partial unfinished basement offer additional space and storage. This property includes a shared well, private septic system, shared driveway, storage building, and fenced kennel area. Waterfront features include a seawall and covered, two-well dock with boat and PWC lifts, and a swim platform, located in a cove setting at the 61MM with year-round deep water access. This property has a main channel view with fabulous sunrises! Come make this your lake home!
