The moment you walk through the door, the view steals the show. Perfectly positioned on the 1MM of the Big Niangua, this 3 bed, 4 bath lakefront home offers over 2,800 s.f. but lives much larger thanks to soaring vaulted ceilings, walls of windows, and an open layout designed to pull the outdoors in. Warm hand-scraped hickory floors, tasteful updates, and inviting living spaces create the ideal blend of comfort and lake style. The kitchen opens seamlessly to dining, living, and multiple outdoor entertaining areas including screened and open decks on both levels all focused on that HUGE water view. The spacious primary suite is beautifully updated, while the lower level offers an oversized family room, wet bar, office/game/exercise space, two guest suites, & two additional full baths, making it ideal for hosting family & friends. Outside, enjoy a large concrete lakeside entertaining area plus a 2-well concrete dock ready for full lake fun. Located in an area of beautiful homes, just minutes by water to Miller's Landing, Larry's on the Lake, and The Fish and Company. 2 car garage was turned into a bunk room for grandkids w/mini split added, but can easily be converted back to garage!
