Your chance to have a homesite on one of the nicest golf courses in the Midwest. The Club at Porto Cima is extraordinary and the homes they are building on this course are the same. The lots have been selling fast and this is a good one! The lifestyle that has been created in the community is unduplicatable. This lot is situated on the course and features great golf course views. It is a short distance to both the marina and clubhouse. Buy your lot today and start planning your home of tomorrow. Gentle lot with great access and topography. Different types of memberships available.
