\$225,000

Southern Missouri Acreage For Sale in Wright County, MO! This 41.5 acres m/l offers a combination of pasture and wooded acreage, 2 ponds and county road frontage just north of Mountain Grove, Missouri. With less than 1 mile of gravel road and only 15 minutes north of town, this property offers convenience and privacy simultaneously. Seller has reported sizeable whitetail deer and turkey on the property. More wooded than cleared, the front pasture features large walnut and oak trees for shade while the back features smaller groves of trees. Whether you plan to utilize the property for recreation, hobby farm or as a home site, this property may offer the variety you seek. Welcome Home to the Ozarks!
