Situated on 73.8 stunning acres in the heart of the Missouri Ozarks, this exceptional custom-built home offers the kind of country lifestyle buyers dream about but rarely find. Built in 2020 with quality craftsmanship and thoughtful design throughout, the spacious 4,800 square foot residence combines modern comfort with privacy, recreation, and highly usable land. Featuring 4 bedrooms and 2.5 baths, the home welcomes you with open living spaces, beautiful flooring, large windows overlooking the countryside, and a functional floorplan designed for both everyday living and entertaining guests. Warm finishes and inviting gathering areas create a true retreat atmosphere while still offering the conveniences of a modern custom home. Outside, the property truly shines with an ideal mix of rolling pasture, mature woods, and gently rolling Ozarks terrain. The acreage is fenced and well suited for horses, cattle, hobby farming, hunting, or simply enjoying the freedom and privacy that comes with owning nearly 74 acres. A scenic pond adds to the beauty of the land while the barn provides valuable storage and functionality for equipment, livestock, or recreational use. Whether you enjoy ATV riding, exploring the woods, wildlife watching, or peaceful evenings overlooking your land, this property delivers endless opportunities. Located approximately one
